Schedule and instructions guide***

Holiday Homework

This document encloses holiday homework. Holiday homework is designed in such a way that the language, speaking skills, reflections and knowledge of contemporary issues of a student is enhanced.

Parents can help the child to collect the information or practice the task for a better video.

Instructions for completing holiday homework:

1. Students must do videos in their sports uniform (not applicable to Grade 1) helping the judges to identify the student's house.
2. Best videos will add up the marks to their houses which will be reflected in gaining the Annual House Cup.
3. Students can practice or do a little research during the week and the videos are to be posted only on Saturdays. Dates are also mentioned in the following pages.
4. Sending the video as per the scheduled date is mandatory. Videos received later will not be considered.
5. Videos must be posted to the specified Jury member only.
6. Students must greet and introduce themselves in the video. Their name, grade, house (not applicable to Grade 1) topic and the subject are to be said mandatorily.
7. Videos that are done perfectly will be posted in the class groups.
