

# GOWTHAM WORLD SCHOOL

TECHNOLOGY ENABLED EDUCATION

AY 2023 -24

**Subject : Industry Engagement & Technology Exposure Program for CBSE students**

CBSE in partnership with Microsoft shall be offering the next batches of the 'Industry Engagement & Technology Exposure Program for students' across CBSE schools, through its Global Learning Partners, would be conducting virtual sessions on technology exposure and industry engagement for students.

1. Themes of learning: Cloud, AI, Analytics, coding and application
2. Keeping the above theme, grades 8-10 are eligible
3. Anitha will register the students and guide them through the process. Also, students have to send the screenshot of attending the course to Anita teacher.
4. Session dates are 02/05/2023 - 10/05/2023
5. Registration links can be obtained from circular.

Link for the circular for further details is as below:
